

The Executive Farm Management Program
go.ncsu.edu/efm**You are Supporting Business Growth**

Through Your Support of the Executive Farm Management Program

We teach the business skills needed to successfully grow management intensive operations. By supporting our program, you are investing in better prepared partners and employees who will shape the agricultural community's future. Consider the advantages – and make your commitment today.

Examples of how Your Support Impacts our Program:

- Overall Support of the Program at any amount will help us continue to grow!
- \$10,000 and above will provide support for Curriculum Development and Enrichment
- \$8,500 will provide support for Team Building Activities
- \$6,500 will provide support for Dinner Sessions
- \$5,000 will provide support for Scholarship Assistance
- \$3,000 will provide support for Lunch Sessions
- \$1,500 will provide support for Alumni Programming

How your Donation Will Be Recognized

By Supporting the Executive Farm Management Program

- ✓ Recognition on program's website and all program printed materials, including signage (where applicable)
- ✓ Opportunity to participate in Executive Farm Management Program sessions

Checks should be made payable to the **NC Agricultural Foundation** with **EFM** in the memo section.

OR gifts may be made online at <https://execfarmgmt.ces.ncsu.edu/partner-with-efm/>

Fund raising activities for the Executive Farm Management Program operate under the auspices of The North Carolina Agricultural Foundation, Inc., a 501(c)3 non-profit, tax-id 56-6049304. Proceeds will support the daily operations, programs and activities of the Executive Farm Management Program. You will receive an official receipt for your donation.

The Executive Farm Management Program is a collaborative effort. Our partner academic institutions include; NC State College of Agriculture and Life Sciences, NC State Poole College of Management, NC State Cooperative Extension Service, Clemson University Cooperative Extension, East Carolina University College of Business and University of Georgia Extension.
